

Our mission

The club was formed in 2011, to connect Portola Valley women in order to spark dialog, community service and friendships. The PVWC is an official club of Portola Valley. The Portola Valley Women's Club is a social media based club with close to 400 members, that is guided by 3 board members.

Membership

The Portola Valley Women's Club includes doctors, housewives, artists, and professionals who want to connect with their neighbors. There are no specific requirements to join the group and all PV women are invited to join. The club is non political, secular, and strives to include all PV women. There are no business solicitations allowed on the PVWC social website or as part of the PVWC activities.

Our members stay in touch through social media and also enjoy club get-togethers throughout the year. Members have created a variety of groups which promote friendships throughout our community. We enjoy semi-yearly social gatherings, and a constant stream of member-driven activities, including coffees, children's play groups, hikes, and anything else our members are interested in doing!

We also email a monthly update to our members which helps them stay in touch not only with other members, but with the community at large. We include in the monthly update, club activities, other PV club activities, town news and local charity information.

Join

If you're interested in joining, please email us at join@pvwomensclub.com with your name, address, email address and phone number. We are able to mail a monthly update to those PV women who do not have access to a computer.

**Portola
Valley
women
groups you
should**

know about:

Dining for Women -PV Chapter

This is a great opportunity to connect with your neighbors and with the world at large. Each month, women gather in a PV home for a potluck meal and to listen to speakers discuss a global issue. The attendees donate the amount that they would have been spent on a meal out, and pool these resources with other national DFW chapters, to assist that month's organization. The Portola Valley chapter of Dining for Women was featured in the Almanac in 2012. For more information or to attend, please contact meghan.t.sweet@gmail.com.

Portola Valley Fiber Folk

Do you like to knit, crochet, or embroider? Is your mending basket overflowing? We're a loosely knit group that gathers weekly to work on our current projects, to share ideas and information, but mostly to talk and laugh together. No dues, no attendance requirements, no obligations of any kind. So do pack up your project and join us Tuesdays from 1 to 3PM in the Buckeye Room at the Town Center. To join our email list, send your email address to Jan Mountjoy at vontalisman@gmail.com.

Portola Valley Garden Club

If you love to garden, you need to know about this wonderful PV club. The PV garden club currently has about 70 members and welcome novices and experts. They meet on the third Thursday of each month, from 10:45-11:30, at local gardens as well as the Buckeye room at Town center. Some of their events and projects include: Christmas wreaths for three town center, a Christmas plant exchange, a California poppy Easter egg mystery hunt, and semi-annual socials. For information, contact Danna Breen at pvlily@aol.com. The dues are 25\$ per year.
